ABOUT THE COURSE

This interactive online workshop is designed for early childhood educators who work with children from birth to six years of age.

Participants will learn to:

- Create a classroom where children can develop a sense of belonging and significance based on the importance of contribution and mutual respect.
- Understand how young children learn and how to adapt teaching to the needs of this age group.
- Foster essential social and emotional skills to support development and school readiness.
- Understand behaviour and how to guide it in groups of young children.
- Teach the essential skills for developmentally appropriate participation in class meetings.
- Learn Positive Discipline concepts for use in the classroom and to support parents.
